Tenth
Annual Report
of the President

Covering the
Calendar Year
1981

March 1982

TO THE CONGRESS OF THE UNITED STATES:

In accordance with the provisions of Section 6(c) of the Federal Advisory Committee Act, I am pleased to transmit the tenth Annual Report on Federal Advisory Committees. This Report, prepared by the General Services Administration, summarizes the activities, status, and changes in the composition of Federal Advisory Committees for calendar year 1981.

On January 22, 1981, I directed Executive departments and agencies to reduce obligations for advisory committees by five percent for 1981. I am pleased to report that this effort achieved a reduction of ten percent during the past year. Believing that there are further opportunities for more cost-effective management of advisory committees, I plan shortly to direct actions throughout the Executive Branch which will result in additional savings of approximately ten percent for 1982.

RONALD REAGAN

THE WHITE HOUSE,

April 19, 1982.

March 16, 1982

The President
The White House
Washington, DC 20500

Dear Mr. President:

I am pleased to submit the Tenth Annual Report on Federal Advisory Committees for your consideration and transmittal to the Congress. I am also pleased to report a major savings in the cost of advisory committees. On January 22, 1981, you directed a 5 percent reduction in the cost of advisory committees. Your departments and agencies surpassed this objective and reduced total actual 1981 expenditures by 10 percent from original projections and 9 percent from actual 1980 expenditures.

Advisory committees can be of great value, providing advice and information not otherwise available to the Federal government. However, there are opportunities for more effective cost management of advisory committees. The following actions could reduce current expenditures by at least an additional 10 percent, or approximately \$8 million:

- . Eliminate compensation apart from expenses for travel and per diem for board members other than staff employees. Service should be on a strictly voluntary basis. Keen interest and public spiritedness among private sector organizations and citizens will attract a sufficient number of highly qualified individuals to serve on committees.
- . Establish guidelines to limit the size of committees.
- . Severely curtail the use of paid consultants and staff by advisory committees in keeping with the general function of such committees, which is to advise rather than supplant normal agency functions.
- . Eliminate to the maximum practicable extent those advisory committees which never meet. During the past year, approximately 15 percent of the committees never met. Others met so infrequently that it seems questionable whether they are achieving the objectives for which they were established.

- . I also recommend that Congress consider amending the Federal Advisory Committee Act to place reporting requirements on a fiscal year basis. This would facilitate the review of agency expenditures which are also planned and budgeted by fiscal year.

I will be sending under separate cover recommendations to implement these proposed actions. With successful implementation, we could achieve an overall cost reduction of about 20 percent since January of 1981.

This report is prepared in accordance with Section 2 of Executive Order No. 12024 to fulfill the requirements of Section 6(c) of the Federal Advisory Committee Act, as amended (Public Law 92-463, 5 U.S.C., App. I).

Respectfully,

GERALD P. CARMEN
Administrator

Introduction

This is the Tenth Annual Report of the President to the Congress, covering calendar year 1981, on the activities, status, and changes in the composition of Federal Advisory Committees, as required by the Federal Advisory Committee Act, as amended (FACA, Public Law 92-463, October 6, 1972). It is a summary of the information (which is forwarded separately to the Congress) required by section 6(c) of the Act.

Advisory committees can be of great value. They contribute to the "openness" of Governmental decision-making, and provide advice and information not otherwise available to the Government. Their functions range from providing broad policy advice on major national issues to providing specific technical recommendations on particular problems. However, they may also outlive their usefulness, or become ineffective, or require restructuring to meet their responsibilities.

One of the objectives of the Act is that "new advisory committees should be established only when they are determined to be essential ..." Another objective is that "advisory committees should be terminated when they are no longer carrying out the purposes for which they were established." To meet these objectives, the Committee Management Secretariat, General Services Administration, which is responsible for all matters relating to executive branch advisory committees, conducts a comprehensive review of all committees, as required by section 7(b) of the Act. This is to ensure that unnecessary committees are terminated, and that those which are recommended for continuation are effective and meet a compelling need to carry out the responsibilities of the Government. Reviews are conducted annually and cover all advisory committees in existence as of December 31 of the previous calendar year.

As of December 31, 1981, there were 853 committees, a decrease of 12 from the 865 reported at the end of 1980. The change in number reflects:

New committees established during 1981	102
Committees terminated during 1981	114

As noted in previous reports, the largest number of committees is concentrated in a small number of departments or agencies; five had 50 or more advisory committees in 1980. At the end of 1981, these same five agencies continued to have the largest numbers.

<i>Department/Agency</i>	<i>1979</i>	<i>1980</i>	<i>1981</i>

Health and Human Services.....	258	237	233

Of the 967 committees which were in existence at some time during 1981, 44 percent (427 committees) were specifically directed by law; 26 percent (251 committees) were authorized—but not specifically directed to be established—by law; 27 percent (258 committees) were established under general agency or departmental authorities; and the remaining 3 percent (31 committees) were established by Presidential directive. A total of 22,198 persons served on these committees at some time during the year.

The total Federal cost (as reported by individual agencies) to operate and support advisory committees during calendar year 1981 was \$80,102,083. These costs include compensation, travel and per diem allowances for committee members (where paid); staff support costs (including salary and other allowances for Federal employees directly supporting the committees); consultant fees; space; printing (and other services); and supplies.

It is estimated that \$80,143,952 will be necessary for the expenses of advisory committees in calendar year 1982, and this amount is incorporated in the President's budget recommendations to the Congress.

On January 22, 1981, the President directed Executive departments and agencies to reduce advisory committee costs by five percent for 1981. The calendar year 1981 actual costs were \$80,102,083, which represents an 8.3 percent savings over the calendar year 1980 actual costs of \$87,356,491. This also represents a 9.9 percent savings over the 1981 cost estimate of \$88,927,920 (See table below).

CY 1980 actual	\$87,356,491	
CY 1981 actual	\$80,102,083	
Savings	\$7,254,408	(8.3%)
CY 1981 estimate	\$88,927,920	
CY 1981 actual	\$80,102,083	
Savings	\$8,825,837	(9.9%)

Tables No. I, II, and III summarize information about Federal advisory committees by department and agency and for the executive branch as a whole:

- Table No. I, "Advisory Committee Summary Data for CY 1981," all committees which were in existence at some time during the year;
- Table No. II, "Advisory Committees in Existence at the End of CY 1981;" and
- Table No. III, "Advisory Committees Terminated during CY 1981."

Following the summary tables, the report lists:

- (1) All advisory committees in existence at the end of CY 1981, alphabetically, with the responsible agency indicated;
- (2) Presidential Advisory Committees at the end of CY 1981; and
- (3) All advisory committees new, in existence, and terminated during CY 1981, alphabetically by agency.

The Federal Advisory Committee Act requires the establishment of procedures and guidelines to improve advisory committee management, and to foster public accountability of existing committees. The major documents for meeting these requirements are included in this report as Appendices A through E.

This summary report for calendar year 1981 and the detailed information in the agency compilations on which it is based (on Standard Forms 248, 248-A, 249, 249-A, and 250; facsimiles of which are shown in Appendix E) will be available for public inspection at the Library of Congress, Washington, DC, or at the National Archives and Records Service, Office of the Federal Register, Committee Management Secretariat.

Further information about particular committees may be obtained from the Committee Management Officer, or Staff Contact Person, of the agency responsible for the committee. The names, addresses, and telephone numbers for these persons are listed in this report.

For information concerning Federal advisory committee management which cannot be obtained from the sources listed above, and for specific information on location and availability of agency compilations, contact the Committee Management Secretariat (NFC), Office of the Federal Register, National Archives and Records Service, General Services Administration, Washington, DC 20408 (Telephone: (202) 523-4983). This report was prepared by the staff of the Committee Management Secretariat: John F. Clancy, Jr., Iona D. Calhoun, Charles F. Howton, and Andrea D. Public Law 92-463
92nd Congress, H. R. 4383
October 6, 1972

An Act

86 STAT. 770

To authorize the establishment of a system governing the creation and operation of advisory committees in the executive branch of the Federal Government, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Federal Advisory Committee Act".

Federal Advisory Committee Act.

FINDINGS AND PURPOSES

SEC. 2. (a) The Congress finds that there are numerous committees, boards, commissions, councils, and similar groups which have been established to advise officers and agencies in the executive branch of the Federal Government and that they are frequently a useful and beneficial means of furnishing expert advice, ideas, and diverse opinions to the Federal Government.

(b) The Congress further finds and declares that—

- (1) the need for many existing advisory committees has not been adequately reviewed;
- (2) new advisory committees should be established only when they are determined to be essential and their number should be kept to the minimum necessary;
- (3) advisory committees should be terminated when they are no longer carrying out the purposes for which they were established;
- (4) standards and uniform procedures should govern the establishment, operation, administration, and duration of advisory committees;
- (5) the Congress and the public should be kept informed with respect to the number, purpose, membership, activities, and cost of advisory committees; and
- (6) the function of advisory committees should be advisory only, and that all matters under their consideration should be determined, in accordance with law, by the official, agency, or officer involved.

DEFINITIONS

SEC. 3. For the purpose of this Act—

(1) The term "Director" means the Director of the Office of Management and Budget.

(2) The term "advisory committee" means any committee, board, commission, council, conference, panel, task force, or other similar group, or any subcommittee or other subgroup thereof (hereafter in this paragraph referred to as "committee"), which is—

- (A) established by statute or reorganization plan, or
- (B) established or utilized by the President, or
- (C) established or utilized by one or more agencies,

in the interest of obtaining advice or recommendations for the President or one or more agencies or officers of the Federal Government, except that such term excludes (i) the Advisory Commission on Intergovernmental Relations, (ii) the Commission on Government Procurement, and (iii) any committee which is composed wholly of full-time officers or employees of the Federal Government.

(3) The term "agency" has the same meaning as in section 551(1) of title 5, United States Code.

(4) The term "Presidential advisory committee" means an advisory committee which advises the President.

APPLICABILITY

SEC. 4. (a) The provisions of this Act or of any rule, order, or regulation promulgated under this Act shall apply to each advisory committee except to the extent that any Act of Congress establishing any such advisory committee specifically provides otherwise.

Restrictions.

(b) Nothing in this Act shall be construed to apply to any advisory committee established or utilized by—

- (1) the Central Intelligence Agency; or
- (2) the Federal Reserve System.

(c) Nothing in this Act shall be construed to apply to any local civic group whose primary function is that of rendering a public service with respect to a Federal program, or any State or local committee, council, board, commission, or similar group established to advise or make recommendations to State or local officials or agencies.

Review.

SEC. 5. (a) In the exercise of its legislative review function, each standing committee of the Senate and the House of Representatives shall make a continuing review of the activities of each advisory committee under its jurisdiction to determine whether such advisory committee should be abolished or merged with any other advisory committee, whether the responsibilities of such advisory committee should be revised, and whether such advisory committee performs a necessary function not already being performed. Each such standing committee shall take appropriate action to obtain the enactment of legislation necessary to carry out the purpose of this subsection.

Outdelines.

(b) In considering legislation establishing, or authorizing the establishment of any advisory committee, each standing committee of the Senate and of the House of Representatives shall determine, and report such determination to the Senate or to the House of Representatives, as the case may be, whether the functions of the proposed advisory committee are being or could be performed by one or more agencies or by an advisory committee already in existence, or by enlarging the mandate of an existing advisory committee. Any such legislation shall—

- (1) contain a clearly defined purpose for the advisory committee;
- (2) require the membership of the advisory committee to be fairly balanced in terms of the points of view represented and the functions to be performed by the advisory committee;
- (3) contain appropriate provisions to assure that the advice and recommendations of the advisory committee will not be inappropriately influenced by the appointing authority or by any special interest, but will instead be the result of the advisory committee's independent judgment;
- (4) contain provisions dealing with authorization of appropriations, the date for submission of reports (if any), the duration of the advisory committee, and the publication of reports and other materials, to the extent that the standing committee determines the provisions of section 10 of this Act to be inadequate; and

(5) contain provisions which will assure that the advisory committee will have adequate staff (either supplied by an agency or employed by it), will be provided adequate quarters, and will have funds available to meet its other necessary expenses.

(c) To the extent they are applicable, the guidelines set out in subsection (b) of this section shall be followed by the President, agency heads, or other Federal officials in creating an advisory committee.

Report to Congress.

(c) The President shall, not later than March 31 of each calendar year (after the year in which this Act is enacted), make an annual report to the Congress on the activities, status, and changes in the composition of advisory committees in existence during the preceding calendar year. The report shall contain the name of every advisory committee, the date of and authority for its creation, its termination date or the date it is to make a report, its functions, a reference to the reports it has submitted, a statement of whether it is an ad hoc or continuing body, the dates of its meetings, the names and occupations of its current members, and the total estimated annual cost to the United States to fund, service, supply, and maintain such committee. Such report shall include a list of those advisory committees abolished by the President, and in the case of advisory committees established by statute, a list of those advisory committees which the President recommends be abolished together with his reasons therefor. The President shall exclude from this report any information which, in his judgment, should be withheld for reasons of national security, and he shall include in such report a statement that such information is excluded.

OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 27, 1974

CIRCULAR NO. A-63
Revised

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Advisory Committee Management

1. Purpose. This Circular provides guidance for implementation of the Federal Advisory Committee Act, Public Law No. 92-463, 5 U.S.C. App. I, (hereinafter referred to as the "Act") and Executive Order No. 11769, entitled "Advisory Committee Management."

2. Rescission. This Circular rescinds and supersedes the December 26, 1972 revision of Circular No. A-63 and the OMB/Department of Justice Memorandum on implementation of the Federal Advisory Committee Act (see 38 Fed. Reg. 2306 (1973)).

3. Policy. In the application of this Circular, these principles should be followed.

a. Advisory Committee meetings should be open to the public. Exceptions should be held to the minimum, carefully grounded in law and explained in detail. The emphasis should be on the free flow of information to the public.

b. Advisory committees should be limited to those that are essential. Any advisory committees which are not fulfilling their purposes should be terminated.

c. The recommendations of advisory committees should be considered by those who sought advice, while responsible Federal officers retain authority for decisions.

d. Standards and uniform procedures for the creation, operation, and duration of advisory committees should be established.

4. Definitions. For purposes of this Circular --

a. "Act" means the Federal Advisory Committee Act.

(No. A-63)

b. "Advisory Committee" has the meaning set forth in Section 3 of the Act.

5. Responsibilities.

a. The Office of Management and Budget (OMB). In general, the functions of the Director under the Act and under Executive Order 11769 shall be carried out by the Committee Management Secretariat of OMB.

b. Departments and agencies.

(1) The head of each agency which uses an advisory committee shall insure compliance with the Act and this Circular and shall issue regulations which apply to all advisory committees established or used by the agency.

(2) The head of each agency which uses an advisory committee shall designate an Advisory Committee Management Officer who shall carry out the functions specified in Section 8(b) of the Act and this Circular. The name of each Advisory Committee Management Officer shall be provided to the OMB Secretariat.

(3) Each agency shall maintain information on the nature, functions, and operations of each of its advisory committees. This shall include a complete set of the charters of the agency's advisory committees, and copies of the annual reports on its advisory committees in a single location.

6. Creation of advisory committees.

a. When an agency proposes to establish an advisory committee not specifically authorized by statute or by the President, the agency head must consult with the OMB Secretariat. Such "consultation" may be in the form of a letter from the agency head describing the nature and purpose of the proposed advisory committee, including an explanation of why the functions of the proposed committee could not be performed by the agency or by an existing committee. The letter, in addition, should describe the agency's plan to attain balanced membership on the proposed committee. If the OMB Secretariat is satisfied that establishment of the advisory committee would be in accord with the Act, the agency head shall certify in writing that creation of the advisory committee is in the public interest. This

(No. A-63)

certification and a description of the nature and purpose of the committee shall be published in the Federal Register at least 15 days prior to the filing of the committee's charter. The OMB Secretariat may, for good cause, authorize a shorter period of time between publication of the notice and the filing of the charter.

If not satisfied that establishment of the advisory committee would be in accordance with the Act, the OMB Secretariat shall inform the agency head in writing within 15 days of receipt of the agency letter.

b. Unless specifically provided otherwise by statute or Presidential directive, advisory committees shall be utilized solely for advisory functions.

c. (1) Each advisory committee shall file a charter complying with Section 9(c) of the Act. This requirement applies to committees "utilized" as advisory committees, though not established for that purpose.

(2) A copy of each charter shall be furnished to the Library of Congress at the time of filing. Copies should be sent to:

Library of Congress
Exchange and Gift Division
Federal Advisory Committee Desk
Washington, D.C. 20540

7. Termination and renewal of advisory committees.

a. Each nonstatutory advisory committee (i.e., not established by statute or reorganization plan) which is in existence on January 5, 1973, shall terminate no later than January 5, 1975, unless it is renewed by the President or the agency head prior to January 5, 1975.

Before such a committee can be renewed by an agency, the agency head must determine that renewal is necessary and shall inform the OMB Secretariat of his determination and the reasons for it not more than 60 days before the committee expires. If the Secretariat concurs, the agency head shall publish notice of the renewal in the Federal Register and shall file a new charter.

(No. A-63)

Any advisory committee which is renewed shall continue for not more than two years unless, prior to the expiration of that period, it is renewed. Each such advisory committee established by the President or a Federal officer after January 5, 1973, shall terminate not later than two years after its establishment unless prior to that time it is renewed.

b. Each advisory committee established by statute or reorganization plan which is in existence on January 5, 1973, shall terminate by January 5, 1975, unless its duration is otherwise provided for by law.

(1) Each such advisory committee which is established after January 5, 1973, shall terminate not later than two years after its establishment unless its duration is otherwise provided for by law.

(2) Any such statutory advisory committee shall file a new charter upon the expiration of each successive two-year period following the date of enactment of the statute establishing the committee.

c. No advisory committee required by Section 14(b) of the Act to file a new charter shall take any action, other than preparation and filing of such charter, between the date the new charter is required, and the date it is filed.

8. Operation of advisory committees.

a. Calling of meetings.

(1) No advisory committee shall hold any meeting except at the call of or with the advance approval of the Federal official designated in accordance with Sec. 10(e) of the Act and this Circular. (See 8f below.)

(2) Except with respect to Presidential advisory committees, each meeting of an advisory committee shall be conducted in accordance with an agenda approved by the Federal official. The agenda shall list the matters to be considered at the meeting. It shall also indicate when any part of the meeting will concern matters within the exemptions of the Freedom of Information Act, 5 U.S.C. 552(b).

b. Notice of meetings.

(No. A-63)

(1) Except when the Director determines otherwise for reasons of national security, timely notice of each advisory committee meeting, whether open or closed to the public, shall be published in the Federal Register. In addition to the notice in the Federal Register, other forms of notice should be used, for example, press releases and notices by mail. Where practicable, agencies should maintain lists of people and organizations interested in particular advisory committees and notify them of meetings by mail.

(2) Such notice should state the name of the advisory committee, the time, place and purpose of the meeting (including where appropriate, a summary of the agenda). Notices ordinarily should state that meetings are open to the public, or, explain why any part is closed.

(3) Such notice should be published at least 15 days before the date of the meeting except that shorter notice may be provided in emergency situations, and the reasons for such emergency exceptions shall be made part of the meeting notice. Agencies should keep in mind the time the Federal Register needs to get notices into print, and plan accordingly.

(4) Notice is not required when the Director has determined that it should not be published for reasons of national security. Any agency advisory committee which seeks such a determination, shall submit its request and a statement of reasons to the Director at least 30 days before the meeting is scheduled.

c. Public participation. The agency head or, in the case of a Presidential advisory committee, the chairman of the committee shall, for any advisory committee meeting, all or part of which is open to the public, assure compliance with the following rules:

(1) Meetings shall be held at a reasonable time and at a place that is reasonably accessible to the public.

(2) The size of the meeting room shall be determined by such factors as the size of the committee, the number of members of the public who could reasonably be expected to attend, the number of persons who attended similar meetings in the past and the resources and facilities available.

(No. A-63)

(3) Any member of the public shall be permitted to file a written statement with the committee.

(4) Interested persons may be permitted by the committee chairman to speak at the meeting in accordance with procedures established by the committee.

d. Closed meetings.

(1) Section 10(d) of the Act states that the provisions concerning open meetings and public participation "shall not apply to any advisory committee meeting which the President, or the head of the agency to which the advisory committee reports, determines is concerned with matters listed in . . ." 5 U.S.C. 552(b), the exemptions of the Freedom of Information Act.

(2) An advisory committee which seeks to have all or part of a meeting closed on the basis of 5 U.S.C. 552(b) shall notify the agency head or, in the case of a Presidential advisory committee, the Director at least 30 days before the scheduled date of the meeting. The notification shall be in writing and shall specify all the reasons why any part of the meeting should be closed.

If the agency head or the Director finds the request to be warranted and in accordance with the policy of the Act, the request shall be granted. The determination of the agency head or the Director shall be in writing and shall state the specific reasons for closing all or part of the meeting. The determination itself shall be made available to the public on request. The agency head or the Director may delegate responsibility for making the above determinations. However, in any case where a determination to close a meeting is made by a delegate of the agency head, the determination should be reviewed by the agency General Counsel.

(3) When a meeting is closed, the advisory committee shall issue a report at least annually setting forth a summary of its activities and related matters which are informative to the public consistent with the policy of 5 U.S.C. 552(b). Notice of availability of such annual report shall be published in the Federal Register no later than 60 days after its completion. The notice shall include instructions which will allow the public access to the report.

(No. A-63)

e. Minutes. Detailed minutes shall be kept of each advisory committee meeting. The minutes shall include: the time and place of the meeting; a list of advisory committee members and staff and agency employees present at the meeting; a complete summary of matters discussed and conclusions reached; copies of all reports received, issued, or approved by the advisory committee; a description of the extent to which the meeting was open to the public; and a description of public participation, including a list of members of the public who presented oral or written statements and an estimate of the number of members of the public who attended the meeting.

The chairman of the advisory committee shall certify to the accuracy of the minutes. .

f. Designated Federal employee.

(1) With regard to an advisory committee used by an agency, the agency head shall designate a Federal officer or employee as set forth in Section 10(e) of the Act and determine whether he is to chair or attend the meetings. With regard to Presidential advisory committees such officer or employee may be designated, and his role determined by the Director. Ordinarily, the designated Federal employee should serve on a continuing basis.

(2) No advisory committee shall conduct a meeting in the absence of the designated Federal employee.

(3) The designated Federal employee shall be authorized to adjourn any advisory committee meeting, whenever he determines adjournment to be in the public interest.

9. Reports on advisory committees.

a. The President has delegated, in Executive Order 11769, responsibility for preparation of the annual report required by Section 6(c) of the Act to the Administrator of General Services. The General Services Administration (GSA) will provide appropriate reporting instructions.

b. Two copies of each public report of each Presidential advisory committee shall be submitted to the OMB Committee Management Secretariat at the time of the submission to the President.

(No. A-63)

10. Comprehensive Review. The annual review required by Section 7(b) of the Act shall be conducted on a calendar-year basis. Agencies may schedule the review so that its results are incorporated in the annual report of advisory committees. The review should examine all advisory committees, and terminate those no longer useful. Advisory committees specifically created by statute or Executive Order should be reviewed, and if appropriate, their termination recommended. The comprehensive review should include, among other things, a summary of the total number of advisory committee meetings, the number of closed or partially closed meetings, and a recapitulation of the exemptions in the Freedom of Information Act used as a basis for closing meetings. The review should also comment in some detail on agency efforts and procedures to insure balanced membership on its advisory committees. The results of the comprehensive review should be included in the annual report to the Administrator of General Services.

11. Uniform pay guidelines.

a. Pay for members of an advisory committee.

(1) Subject to the provisions of this paragraph, an agency shall fix the pay of the members of an advisory committee to the daily equivalent of a rate of the General Schedule in 5 U.S.C. 5332 unless the members are appointed as consultants and compensated as provided in 11c below.

(2) In determining an appropriate rate of pay for the members of an advisory committee, an agency shall give consideration to the significance, scope, and technical complexity of the matters with which the advisory committee is concerned and the qualifications required of the members of the advisory committee.

(3) An agency may not fix the pay of the members of an advisory committee at a rate higher than the daily equivalent of the maximum rate for GS-15 unless the head of the agency has personally determined that, under the factors set forth in paragraph 11b(2), a higher rate of pay is justified and necessary. Such a determination must be reviewed by the head of the agency annually.

(No. A-63)

b. Pay for the staff of an advisory committee.

(1) Subject to the provisions of b(2), below, an agency shall fix the pay of each member of the staff of an advisory committee at a rate of the General Schedule in which the staff member's position would appropriately be placed were the General Schedule classification system in chapter 51 of title 5, United States Code, applicable to the position.

(2) An agency may not fix the pay of a member of the staff of an advisory committee at a rate higher than the daily equivalent of the maximum rate for GS-15 unless the head of the agency has determined that, under the General Schedule classification system, the staff member's position would appropriately be placed in the General Schedule grade higher than GS-15. Such a determination must be reviewed by the head of the agency annually.

c. Pay for consultants to an advisory committee. An agency shall fix the pay of a consultant to an advisory committee after giving consideration to the qualifications required of the consultant and the significance, scope, and technical complexity of the work. The rate of pay shall not exceed the maximum rate of pay which the agency may pay experts and consultants under 5 U.S.C. 3109.

d. Voluntary services of an advisory committee member. The provisions of this section shall not prevent an agency from accepting the voluntary services of a member of an advisory committee, or a member of the staff of an advisory committee, provided that the agency has authority to accept such services without compensation.

e. Reimbursable travel expenses for advisory committee members and staff. The members of an advisory committee, and the staff thereof, while engaged in the performance of their duties away from their homes or regular places of business, may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703 for persons employed intermittently in the Government service.

CIRCULAR NO. A-63
Transmittal Memorandum No. 4

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Advisory Committee Management -- Uniform Pay
Guidelines

1. Purpose. This Transmittal Memorandum clarifies Section 11, Circular No. A-63, Revised, dated March 27, 1974, relating to pay and other compensation of members, staff, and consultants of advisory committees.

2. Background. Section 7 of Public Law 92-463 provides that "the Director, after study and consultation with the Civil Service Commission, shall establish guidelines with respect to uniform fair rates of pay for comparable services of members, staffs, and consultants of advisory committees in a manner which gives appropriate recognition to the responsibilities and qualifications required and other relevant factors." Pursuant to the foregoing authority, the Director included uniform pay guidelines as Section 11 of Circular A-63, March 27, 1974. The revisions set forth below are designed to clarify Section 11.

3. Revisions.

(a) Renumber the present subparagraphs a., b., c., d., and e., of Section 11 as subparagraphs b., c., d., e., and f., respectively.

(b) Insert the following as subparagraph "a.":

"a. General

(1) Authority. The guidelines in this paragraph are established under the authority of Section 7(d) of the Federal Advisory Committee Act, 86 Stat. 773.

(2) Applicability. The guidelines in this paragraph shall apply to the pay of members, staff, and consultants of an advisory committee, except that

(A-63)

nothing in this paragraph shall affect a rate of pay or a limitation on a rate of pay that is specifically established by statute or a rate of pay established under the General Schedule classification and pay system in Chapter 51 and subchapter III of Chapter 53 of title 5, United States Code."

(c) Add the following new subparagraph "g.":

"g. Nothing in this paragraph shall prevent -

(1) an individual who (without regard to his service with an advisory committee) is a full-time employee of the United States, or

(2) an individual who immediately before his service with an advisory committee was such an employee, from receiving compensation at the rate at which he otherwise would be compensated (or was compensated) as a full-time employee of the United States."

4. Explanation. New subparagraph "a(1)" is added to state the authority for establishment of the uniform pay guidelines.

New subparagraph "a(2)" is added to clarify the applicability of the guidelines by making it clear that the guidelines do not affect the rate of pay or a limitation on a rate of pay that is specifically established by statute or a rate of pay established under the General Schedule classification and pay system.

New subparagraph "g" is added to clarify the status and pay of full-time Federal employees serving on advisory committees.

5. Effective Date. This Transmittal Memorandum is effective immediately.

6. Inquiries. Inquiries or requests for assistance should be directed to the Committee Management Secretariat, Office of Management and Budget, telephone 395-5193 (code 103).

OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 7, 1977

CIRCULAR NO. A-63
Transmittal Memorandum No. 5

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Review of Federal Advisory Committees

The President in his letter of February 25, 1977, expressed his concern about the number and usefulness of Federal advisory committees, and ordered a government-wide, zero-base review of all committees, with the presumption that all committees should be abolished except those (1) for which there is a compelling need; (2) which have truly balanced membership; and (3) which conduct their business as openly as possible consistent with the law and their mandate.

Section 7(b) of the Federal Advisory Committee Act (P.L. 92-463) requires the Director of the Office of Management and Budget (OMB) to conduct annually a comprehensive review of each advisory committee to determine:

- a. whether such committee is carrying out its purpose;
- b. whether, consistent with the provisions of applicable statutes, the responsibilities assigned to it should be revised;
- c. whether it should be merged with other advisory committees; or
- d. whether it should be abolished.

To meet the President's objectives, and the requirements of the Act, the following instructions, and reporting format, are provided for the review of Federal advisory committees, and supersede Transmittal Memorandum No. 3, Circular No. A-63, September 3, 1975.

1. Agency comprehensive review. This review is to be a comprehensive, zero-base review of each advisory committee -- regardless of the authority under which the committee was established, or when it was established or last renewed. The head of each agency, or a senior policy official designated by the agency head, should review the need for,

(No. A-63)

and accomplishments of, each committee in terms of factors such as those enumerated in the attached review coversheet (Exhibit I), with particular attention to the "balance" of membership representation. The review should also take into consideration, and provide an opportunity for, public comments and recommendations concerning these advisory committees, to the maximum extent possible.

Based on this review, a determination should be made to continue, merge, terminate, or revise responsibilities of, as appropriate, each advisory committee established by the agency. Similar actions should be recommended for each committee established by statute or Presidential directive for which the agency has responsibility.

2. Reports. Following the agency's review, the following is to be submitted to the Committee Management Secretariat, OMB, not later than April 15, 1977, for OMB and Presidential review:

a. A review coversheet (Exhibit I) only, in duplicate, for each agency-established committee which is proposed to be terminated.

b. A review coversheet (Exhibit I) and brief explanatory statement, in duplicate, for each committee established by statute or Presidential directive, which is recommended for merger or termination.

c. A review coversheet (Exhibit I) and detailed justification, in duplicate, for each committee which is proposed to be continued.

d. A brief description of the process by which the agency provided an opportunity for public comment on the review, and recommendations for continuation, of advisory committees.

e. A letter of transmittal for the coversheets and accompanying statements, constituting a determination that the continuation of the committees proposed to be continued is in the public interest, signed by the agency head.

Inquiries should be directed to the Committee Management Secretariat, OMB, telephone 395-5193 (code 103).

SUBPART 101-11.12

ANNUAL REPORT ON FEDERAL ADVISORY COMMITTEES

101-11.1202(c)

Subpart 101-11.12—Annual Report on Federal Advisory Committees

§ 101-11.1200 Scope of subpart.

This subpart prescribes the procedures for preparing and submitting the Annual Report on Federal Advisory Committees.

§ 101-11.1201 Background.

(a) The Federal Advisory Committee Act (Public Law 92-463) requires an annual report to the Congress on Federal advisory committees in existence during the preceding calendar year. Executive Order 11769 of February 21, 1974, delegated responsibility for preparation of this report to the Administrator of General Services.

(b) Data for the annual report is coordinated with data the agencies supply to the OMB Committee Management Secretariat throughout the year and, in compliance with sec. 8(c) of the act, provides the official source of statistical information on the activities, status, and changes in the composition of Federal advisory committees. The annual report is separate from the annual comprehensive review which is conducted in accordance with OMB Circular No. A-63, Revised.

§ 101-11.1202 Definitions.

The following definitions shall apply for the purposes of this subpart.

(a) *Advisory committee.* The term "advisory committee" means any committee, board, commission, council, conference, panel, task force, or other similar group, or any subcommittee or other subgroup thereof that is:

- (1) Established by statute or reorganization plan;
- (2) Established or utilized by the President; or
- (3) Established or utilized by one or more agencies in the interest of obtaining advice or recommendations for the

President or one or more agencies or officers of the Federal Government, except that the term excludes:

- (i) The Advisory Commission on Intergovernmental Relations;
- (ii) The Commission on Government Procurement; and

(iii) Any committee which is composed wholly of full-time officers or employees of the Federal Government.

(b) *Agency.* The term "agency" has the same meaning as it does in 5 U.S.C. 551(1). That is, "agency" means each authority of the United States, whether or not it is within or subject to review by another agency, but does not include:

- (1) The Congress;
- (2) The courts of the United States;
- (3) The governments of the territories or possessions of the United States;
- (4) The government of the District of Columbia; nor

(5) Exclusions set out in 5 U.S.C. 552.

INSTRUCTIONS FOR COMPLETING STANDARD FORM 248 ANNUAL REPORT ON FEDERAL ADVISORY COMMITTEE

GENERAL

A separate form will be completed for each advisory committee in existence during the calendar year. The form should be completed by the organizational element responsible for support of the committee. A separate form will be completed for each chartered advisory subcommittee. The data for each subgroup will be discrete and will not duplicate data for the parent committee.

Standard Form 248-A, Annual Report on Federal Advisory Committee (Continuation Sheet), should be used when additional space is needed to supply the required information for any numbered block on the SF 248. Each group of forms should be numbered separately, i.e., SF 248, Page 1 of 2, SF 248-A, Page 2 of 2.

1. DEPARTMENT OR AGENCY. Enter the full name of the department or agency submitting the report. Do NOT abbreviate.

2. CALENDAR YEAR. The year being reported, i.e., the report due in 1982 will be for calendar year 1981.

3. EXACT NAME OF ADVISORY COMMITTEE. The exact name of the committee as chartered. If a subcommittee or subgroup, list name of parent committee first, then name of subgroup. Add parenthetical explanation of any abbreviations in the chartered name, e.g., MESA Advisory Committee (Marine Ecosystems Analysis). If the name was changed during the year or the committee was reestablished under a different name, give the former name in parentheses. Include for the reestablished committee, the dates of its previous existence. [Example: Lower Rio Grande Valley District Advisory Council (formerly Hartlingen District Advisory Council).] [Example: Advisory Committee on Science and Technology and Foreign Affairs, 3/18/79 - 1/5/81.] If the committee was merged into another during the year, give the name of the latter in parentheses. [Example: XXX Advisory Committee (merged into YYY Advisory Committee).]

4. COMMITTEE STATUS DURING THIS CALENDAR YEAR. (More than one block may be checked).

A. New - Committee chartered for the first time this calendar year.

B. In existence at end of calendar year - Committee will be continuing into the next calendar year and will be reported the following year.

C. Terminated - Committee ceased to function by being merged into another committee during existing charter; abolished due to a circumstance imposed, other than merger, during existing charter; or expired as indicated in the charter.

5. ESTABLISHMENT AUTHORITY (Check only one)/SPECIFIC ESTABLISHMENT AUTHORITY. The specific establishment authority will be given in the space following item A, B, C, or D. Specific establishment authority refers to the document authorizing creation of the committee. It is not Public Law 92-463, Federal Advisory Committee Act; a reference to the authority for the governmental function on which the committee is advising; a consulting letter to GSA; or the committee's charter.

A. Specifically directed by law - Creation specifically directed by law (statutory committees). Cite the U.S. Code.

B. Authorized by law - Creation authorized, but not specifically directed by law (with GSA consultation). Cite the U.S. Code.

C. Agency authority - Creation authorized by internal department or agency authority (with GSA consultation). Cite the agency document authorizing the creation and the date, e.g., U.S. Department of Labor, Administrative Order No. 19, March 22, 1939.

D. Presidential directive - Creation directed by Presidential Executive Order, memorandum, or proclamation. Cite the Executive Order number and date - or the Presidential memorandum or proclamation subject/title and date.

6. COMMITTEE TYPE (must be either A or B - and may also be C).

A. Ad Hoc - An ad hoc committee (for purposes of this report) is one created to serve less than 24 months.

B. Continuing - A continuing committee is one created to serve 24

months or more.

C. Presidential - A Presidential committee provides advice to the President.

7. ESTABLISHMENT DATE. The date of the committee's original creation. It will never change. For committees created prior to January 5, 1973, use whatever date has been carried since inception, for committees created after January 5, 1973, use the filing date of the first charter filed.

(a) for Presidential committees, with GSA.

(b) for all other committees (including statutory), with the applicable Congressional standing committee(s).

8. REESTABLISHMENT DATE. The most recent charter filing date of a committee which had terminated.

9. LAST RENEWAL DATE. If any, is the most recent charter filing date, prior to December 31 of the calendar year being reported. This date changes to reflect the most recent charter filing. Use the filing date of any such charter subsequent to the initial charter. If the committee is still under its first charter, indicate "none". For a reestablished committee, this date would be the last charter filing date prior to termination.

10. NEXT RENEWAL DATE. The expected date for the next rechartering of the committee. If the committee is not expected to be continued, indicate "none". For a reestablished committee, this date would be the next expected charter filing date based on the current establishment charter.

11. TERMINATION DATE. The date the committee will cease functioning by merger, abolishment, or expiration. If there is no expected termination date, indicate "none".

12. BRIEF STATEMENT OF FUNCTIONS. Self-explanatory.

13. TOTAL NUMBER OF ALL REPORTS SUBMITTED DURING THE CALENDAR YEAR BY THE COMMITTEE. Provide a count of all written reports that have been submitted by the committee during the calendar year. Minutes of meetings, this annual report and the annual comprehensive review to GSA, and the report of closed meetings to the Library of Congress are not to be listed as reports. List the title and date of submission of reports submitted during the calendar year.

14. MEETINGS. Meetings held on one or more consecutive days count as one meeting. Meetings held on consecutive days interrupted only by weekends or holidays count as one meeting. If more than one meeting was held on the same day, so indicate.

B. Total number of closed - A count of the total number of closed meetings held during the calendar year.

C. Total number of partially closed - A count of the total number of partially closed meetings held during the calendar year.

D. Actual dates of all meetings - List all actual dates of all committee meetings held during the calendar year.

The number of meeting dates listed in D should equal the total of the numbers shown in A plus B plus C.

15. TOTAL PERSON-YEARS/COST

A. Annual person-years of Federal staff support for the committee - Give both current and next year. Express in whole numbers and fractions to the nearest 1/4, (i.e., 1-1/4, 1-1/2, or 1-3/4 person-years, etc.)

B. Total annual cost to the U.S. to fund, supply, and maintain the committee - Give both current and next year. Include salary, travel, and per diem allowances for committee members, staff support costs (including salary and other allowances for Federal employees supporting the committee); consultant's fees; printing and supplies, and cost of any commercially leased space. **INSTRUCTIONS FOR COMPLETING STANDARD FORM 250
ANNUAL REPORT ON FEDERAL ADVISORY COMMITTEES SUMMARY SHEET**

This group of forms should be numbered separately from the SF 248(s) and SF 249(s).

This is a summary sheet for data collected on SF 248, Annual Report on Federal Advisory Committee, and SF 249, Membership List on Federal Advisory Committee. It is to be completed at the department or agency level. All data will be directly transferred from SF 248, or SF 249 to the corresponding labeled blocks on the Summary Sheet.

The columns under the headings "Status This CY", "Establishment Authority," and "Committee Type" are completed by checkmarks (X) only. The remaining columns require numeric entries.

Names of advisory committees must be listed in alphabetical order and should be shown exactly as they appear in Block 3 on SF 248 and SF 249. Indent and list subcommittees under parent committee.

List totals for all columns only on the last line of the last page of the SF 250; subtotals for each sheet are not required. Totals for all columns are necessary. For the columns under the headings "Status This CY", "Estab-

lishment Authority", and "Committee Type" enter the total number of checkmarks in each column.

NOTE: The totals must be verified as follows:

1. Status This CY:

Total in existence at end of previous year plus total new this year, minus terminated, plus or minus adjustments (must be footnoted), equals total in existence at end of this calendar year.

2. The totals for each of the three columns headed "Status This CY", "Establishment Authority", and "Committee Type" should agree, if the following subcolumns are totaled:

Status This CY = Total of in existence at end of year plus terminated.

Establishment Authority = Total of directed by law plus authorized by law plus established by agency plus presidential directive.

Committee Type = Total of ad hoc plus continuing.
